By Road

Harrogate lies at the intersection of the A59 (between Skipton and York) and the A61 (between Leeds and Ripon) and is only 5 miles from the A1(M), from which there is easy access to the M62 and the M1.

Our offices are in the centre of the town, at the southern end of Station Parade (a one way street leading towards York Place). Our building is on the right hand side on the corner with York Place and overlooks the Harrogate Stray. Access is from the Station Parade entrance, close to the traffic lights at the road junction.

Parking is available by prior arrangement, with access gained via Back York Place, from Station Parade.

By Rail

Our office is 5 minutes walk from Harrogate's train station. Direct trains run from Leeds and from York, with a journey time of around 35 minutes. Trains to London run from either of these stations throughout the day, as do trains to Glasgow, Edinburgh, Manchester, Birmingham and Bristol.

By Air

Leeds Bradford International Airport is less than 12 miles away. Taxis take around 25 minutes and the airport bus link takes around 35 minutes to Harrogate town centre.
